TO MR. HALPIN:

Even though we have only been able to share three years, the class of '79 treasures each moment we have spent with you. Through the good times and the bad, the laughs and the cries, and the tests and the free periods, we have worked together and sincerely hope that you can inspire your future classes as you have us!!

Diocese of Reno - Las Vegas

515 COURT STREET - P. O. BOX 1211

RENO, NEVADA 89504

My dear Graduates of 1979:

I extend to each of you my congratulations and my warmest best wishes on the successful completion of your education at Bishop Gorman High School. You have been measured by a high standard of performance and have not been found wanting. You have every right to be proud of your achievement.

Extraordinary effort, dedication and sacrifice on the part of many have gone into the educational enterprise that has brought you to this moment. To express a collegialism, we have put a good many of our eyes into this one basket. We have done so because we are committed to truth and to beauty and to goodness, and believe that all three can be effectively communicated by the Gorman endeavor.

But whether or not the effort and sacrifice have indeed been truly successful depends -- it depends on the person you are today, the kind of person you are now capable of becoming, but especially the kind of person you will eventually be. Marked for a high vocation, may you always be proud of that fact. More importantly, may we always be proud of that fact.

God bless you and your future.

Most Reverend Norman F. McFarland
Bishop of Reno-Las Vegas

**OUR
PRINCIPAL
REVEREND
GEORGE G.
HARRIS C.S.V.**

Dear Graduates:

When the high school years end, some of you will be sad that what have been happy years for you are ending. For others, the end will be an occasion for tremendous joy that there will be no more boring classes to attend, no teachers to answer to. I suspect, however, for the majority that your feelings lie somewhere between these two extremes. There have been good times and bad, joy and sadness during your years at Gorman. It would be strange indeed if it were any other way. Our hope is, however, that all of you will carry something positive with you as you begin the next stage in your lives. I sincerely feel that most of the teachers that you have had have been truly concerned with helping you to learn and to grow. It might very well be several years before you begin to realize this, but I am confident that most of you eventually will.

The Faculty join with me in wishing each of you joy and success in the years ahead. We are all proud to have had you as students of Bishop Gorman High School.

With sincere best wishes,

Rev. George G. Harris, C.S.V.

Reflecting on this year's season, we, the Football Team, now realize that we had the potential — something our coaches knew all along. However, the time wasn't right!

We lacked the spirit of unity and oneness which was needed to overcome the obstacles which faced the Gorman team.

We hope that the 1979-80 Gorman Football Team meets with GREAT SUCCESS.

Thanks to our coaches and
Good Luck, Fellow Athletes
The 1978-79 Team
